**Instructions to Reviewers:**

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

**For Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

This application is subject to the provisions of 35 USC 181, which requires that the applicant not disclose the invention to any person other than the examiner of the patent office, or to any person outside the government, until the invention is patented. This application is subject to the provisions of 35 USC 184, which requires that the applicant not file a patent application in a foreign country without a license from the Secretary of Defense. This application is subject to the provisions of 35 USC 185, which requires that the applicant not disclose the invention to any person other than the examiner of the patent office, or to any person outside the government, until the invention is patented.
